Teens As Teachers Portfolio

As part of your Teen Teaching experience this year, you will be creating an electronic portfolio. Documents and forms needed are in this portfolio. When completed, this portfolio will contain everything needed to meet the requirements of your Teen Teaching experience.

The portfolio will include:

1. Photo of self (selfies acceptable) Please place this in the 'Pictures' folder.
2. Photo release form: Please print, obtain needed signatures, scan or take a photo of the form and upload it into the 'Pictures' folder.
3. Teens as Teachers contract: Please print, obtain needed signatures, scan or take a photo of the form and upload it into your portfolio folder.
4. Partnership Agreement: Please print, obtain requested information and signatures, scan or take a photo and upload it into your portfolio folder.
5. Worklog: Record hours spent in preparation and presentation. (This documents the time spent with Teens as Teacher activities throughout the year. Scholarship amounts are based on hours recorded.)
6. Photos/Videos: Please document your activities in the classroom with photo or video. Upload them into the 'Pictures' folder.
7. Reflection: This will be completed at the end of your teaching experience. Upload the completed reflection into your portfolio folder.
Due by March 31.
