

Teen Teacher Levels: Initiate, Activate, Inspire

Recognizing that Teens may desire to participate as a Teen Teacher for more than one year, 'levels' were developed to provide guidelines for a progression in the Teens As Teachers program. Regardless of year of high school, the first year as a Teen Teacher, the Teen Teacher would be a Level 1: Initiate, the second year; 'Level 2 – Activate', 3rd and 4th year, 'Level 3 – Inspire'. This progression recognizes the increased commitment and growth obtained and continues to reward effort and experience with scholarship opportunities.
